

Smiles for Kids Grants Program

Guidelines

The Delta Dental Foundation (DDF) is a nonprofit, charitable organization established in 1980, which serves as the philanthropic arm of Delta Dental of North Carolina. The DDF actively supports dental education and the improvement of oral health through grants, scholarships and charitable activities.

Smiles for Kids Grants Program Guidelines:

In considering grants, the Delta Dental Foundation evaluates each application on its own merits. It considers the programs in which the organization is engaged, the constituencies it serves, the services it offers, its accountability and its fundraising practices, and the level of local community support it attracts.

- Smiles for Kids grants are limited to a maximum of \$5,000 per grant.
- Grants must be dedicated to local not-for-profit programs designed to promote children's oral health in North Carolina.
- Of particular interest are programs designed to promote/improve the oral health of underserved children in at-risk populations.
- Only one proposal per organization per year will be considered.

Although exceptions may be made, in general, grants are not provided for building construction or to cover an organization's normal overhead expenses.

Primary consideration is given to supporting meritorious programs or activities for which other sources of funding are unavailable.

Grant recipients may reapply in future years, as long as a report detailing use/impact of the grant monies is provided with the application.

Programs/projects considered:

Each request is reviewed in terms of its general eligibility and conformity with the grant guidelines, the available funds, the amount needed to achieve the desired results, and program priority.

Smiles for Kids grants will not be awarded to/for the following:

- Capital campaigns, salaries, overhead/administrative expenses, endowments, advertising or fundraising activities
- Individuals
- Organizations that discriminate by race, religion, color, creed, gender, age or national origin
- Political organizations or campaigns
- Loans
- Projects developed for commercial or proprietary purposes
