

Your New Adventure Doesn't Have to Include Looking for Dental Coverage

New in 2023! Enroll in a **Healthteam Advantage Medicare Advantage Plan** that now includes a **\$750** annual benefit for preventive and diagnostic services plus a **\$3,000** allowance for comprehensive services.

- Preventive services (exams and cleanings)
- Diagnostic services (radiographs - X-rays)
- Comprehensive services (fillings, crowns, bridges)

With dental coverage through your Medicare Advantage plan, you are more likely to:

- Avoid future dental problems, thanks to preventive care and early treatment
- Have access to your dentist of choice with the largest network of Medicare Advantage dentists
- Enjoy improved overall health because

120+ signs of nondental disease can be detected in a routine oral exam¹

A buildup of dental plaque can increase the risk for heart disease²

Gum disease has been linked to diabetes risk by making the body more resistant to insulin³
