

The screenshot shows the 'Manage Eligibility' page in the Delta Dental Benefit Manager Toolkit. The page has a green header with the Delta Dental logo, 'Benefit Manager Toolkit ®', 'RED DELICIOUS', and a 'SIGN OUT' button. A left navigation bar contains icons for 'MANAGE ELIGIBILITY', 'BENEFITS INQUIRY', 'SAT', 'REPORTS', 'DENTIST DIRECTORY', 'SUMMARY OF CHANGES', 'BILLING', and 'USER ADMIN'. The main content area has a 'Manage Eligibility' title and two tabs: 'Member' (highlighted with a red sidebar) and 'Add Member'. Below the tabs are four input fields: 'Member Number', 'First Name', 'Last Name', and 'Date of Birth'. The 'Member Number', 'First Name', and 'Last Name' fields have red sidebars and are marked as required with an asterisk. The 'Date of Birth' field has a green sidebar and a date format placeholder 'mm/dd/yyyy'. Below these fields is an 'As of Date' field with a green sidebar and a date format placeholder 'mm/dd/yyyy', and a 'Single Name' checkbox. At the bottom right are 'RESET' and 'SEARCH' buttons. A purple callout box explains the field sidebars: 'Field Sidebars: Red sidebars indicate required fields, Green sidebars indicate optional fields'. Another purple callout box points to the 'Add Member' tab: 'Add Member: Create a new Member from scratch.' A third purple callout box points to the 'Member' tab: 'Member: Easily search for a Member using their Member Number or First and Last Name.' A grey callout box at the bottom left explains the navigation bar: 'The left navigation bar is populated based on a user's authorizations and allows one to perform various actions or move to other sections within BMT.'
